

Dear Parents/Guardians,

January 20, 2021

St. Albert the Great Catholic School registration for the 2021-2022 year is effective immediately. Enclosed is the new Re-registration online procedure and tuition schedule with the rates for the new school year. Registrations are taken on a 1st come – 1st served basis with current families taking priority. This past school year, we have had to place over 50 students on a waiting list. Don't delay your registration in order to secure your space for next year. Many families are opting into the in person instruction due to public schools in the area not offering full day in person instruction. Therefore we encourage you to reserve your seat!

Please call the school office to learn more about parishioners responsibilities and how to register.

Registration for New Student

If you have another child you would like to enroll for the first time in our preschool program, kindergarten, or any other grade level for the new school year, please let us know so we can provide you with a new student procedure guideline. If you are registering a new student (sibling), you will receive a registration packet after you have submitted your re-registration. Please read the packet carefully and return the necessary forms and certificates to school as soon as possible to ensure placement for your child in the 2021-2022 school year. Please understand this registration does represent a commitment on your part.
