

LITTLE COMPANY OF MARY
HOSPITAL AND HEALTH CARE CENTERS

The Technology to Heal, the Mission to Care

January 2019

Dear Colleague,

Little Company of Mary Hospital *and Health Care Centers* is offering *The Heart Connection*, a childrens' grief support program beginning Monday, March 4, 2019 from 6:00 p.m. to 7:30 p.m. A Spanish speaking grief support group will be offered at the same time and on the same dates. Please see Spanish flyer and feel free to copy and distribute to families.

The sessions are for eight weeks and are for children between the ages of 3 and 21 years of age. Each age group is facilitated by trained professional volunteers. Group sizes are limited, so registrations are accepted on a first come, first serve basis. This is a free service available to grieving families that includes dinner and education on grief for parents, while the children are in their age appropriate grief groups. There is a one-time \$25.00 non-refundable registration fee.

Your work continually puts you in a position to support families in grief. If you are aware of a family with children that could benefit from The Heart Connection Program here at Little Company of Mary Hospital, please share this flyer with them. With your help we will be able to reach more grieving children.

Thank you for your assistance in this important service.

Most sincerely,

Arlene Dulski, MS, MA, LPC, CCTP
Grief Counselor, Coordinator of Bereavement Services
