### **Little Red Schoolhouse Nature Center Scavenger Hunt**

Come see the sights that will leave you baffled; you may win a prize that will be raffled.

Feel free to take pictures at each landmark. It's really easy as a walk in the park.

1. I have four legs but can not walk, I have a back and cannot talk.
2. If you like nature and overnight want to camp, you may sleep inside this to not get damp.
3. Keep walking this trail deeper & deeper, just be cautious of the bee keepers.
4. Sit for a minute if your feet ache, it's the perfect place to take a break.
5. Bugs can crawl, fly & bite. Some are creepy & come out at night.
6. Don't go left continue straight. Don't you agree this walk is great.
7. The view from here is very nice, but it might be dangerous to walk on the ice.
8. Here they gather in small groups, it's your local boy scout troops.
