ABSENCES

If your child is home sick OR if they are sent home from school early, in order to return back to school, the following things need to be done:

1. Contact the school office
2. Note from the doctor's office that provides a diagnosis must be emailed, faxed or scanned to the school office before your child will be allowed back into the building. If your child has any chronic illnesses, (allergies, migraine headaches, etc), and that is the reason they are home sick, we must have a written diagnosis from the doctor that we will place on file for your child.

These procedures are required by the Archdiocese and the CDC, and are being followed to insure the health and safety of all of our students.
