# Dream Big

Kindergarten through 2nd Grade

Students should be entering  
Kindergarten through 2nd Grade  
for the 20/21 School Year.

**11AM Monday: Maker Monday Let's Craft:** Improve fine motor skills, enhance hand eye co-ordination while experimenting with color, texture and different mediums. A simple list for each weeks needed supplies will be provided

**11AM Tuesday-Stories & Songs:** Spark Creativity and increase curiosity through stories and music. Virtual Storytime improves language fluency and communication skills. Children will participate in songs, finger plays, Vooks (animated story books) and friendly sharing with friends.

**7PM Wednesday-Family Reading Night:** Families will gather in a comfortable corner of their home to spend time connecting and encouraging children's awareness of their needs and the needs of those around us. Shared stories and simple songs will reinforce positive social emotional behaviors.

**11AM Thursday-Interactive Games:** Finger plays, Poems, Sing song, Sitting movement games, rhyming games, name games/songs, all this with a bible message of the day, Keeping kids engaged with friends over the summer

3rd through 8th Grade

Students should be entering  
3rd through 8th Grade  
for the 20/21 School Year.

**9AM Monday: Creative Art:** Learn of a different artist each week and use their work as inspiration to create your own one of a kind work of art. A simple supply list will be provided for each weeks craft.

**9AM Tuesday-CODE CLUB:** Learn basic coding through [learncode.org](https://learncode.org). We will be walking through a new application as a group through zoom. Students will continue independently at home to go further at their own pace and then report their findings at future meetings.

**9AM Wednesday-Wacky Science:** Hands on Science experiments that can be done at home. Meet in zoom and work step by step through these fun experiments while learning the science behind the fun. A simple list of supplies will be provided.

**9AM Thursday: Reader's Theater:** Engage yourself in a great read this summer by participating in Reader's Theater. Students improve comprehension, fluency and listening skills. We will work together to choose our first piece, A virtual performance for families and friends will be held on zoom.
