About the Show

E-I-E-I OOPS!

A Musical Play for Young Voices

Here we go on a trip to see Farmer MacDonald and the whole barnyard of singing animals! But wait! Something's wrong with Madame Cow... she just can't moo! Join the fun as the animals all do their part to save the day!

Date and Times

Sabre Studio will meet every Thursday. Depending on the option you choose you will either meet during the day on Thursday or after school. This 1st session starts **SEPTEMBER 26th** and ends **JANUARY 16th**. If there is ever any change to scheduling, you would be sent an email or a letter home.

Class Options

I understand that some people love performing while others love being behind the scenes. So, we are offering two different classes!

Option 1 – Option 1 kids only come during the day and don't come to the after-school program. They will not be an actor in the show but will be the crew of the show. They will help work lights and sounds and help create props and costumes. This is a perfect option for kids who can't stay after school but still want to be involved.

Option 2 – Option 2 is for the students who want to be singing and acting on the stage! Students who chose this option will meet after school once a week from 3-4 to practice the play they will perform in front of an audience at the end of the year.

All Students no matter what option they chose will be involved in the during the day program. They will come to my classroom during the day where we play games, make crafts for the show, and learn about the importance of theater.
