

# **BROTHER RICE**

H I G H S C H O O L

Dear Principal,

Welcome back to school! I hope that you and your faculty enjoyed a restful summer. We wish you the best in the upcoming school year and remind you that Brother Rice is always available to help you in any way necessary. I have enclosed a poster promoting our admissions events for the fall. Please pass this along to your 7<sup>th</sup> & 8<sup>th</sup> grade teachers, so that they can display the poster in their classroom or on their announcement board.

With the earlier entrance exam date in December, our recruiting season has been shortened significantly. We are holding shadow days for 7<sup>th</sup> and 8<sup>th</sup> grade students ANY DAY that we are in session at Brother Rice and the students have your approval. Popular shadow days will be:

**Friday, September 28<sup>th</sup> (Homecoming Friday)**  
**Friday, October 5<sup>th</sup> (Columbus Friday)**  
**Monday, October 8<sup>th</sup> (Columbus Day)**  
**Monday, February 18<sup>th</sup> (7<sup>th</sup> Grade Shadow Day)**

We are eager to show the young men why Brother Rice is the leading STEM and college prep high school on the South Side! Thank you in advance for your help and continued cooperation. On behalf of the Brother Rice community, we wish you a blessed school year!

Sincerely,

Tim O'Connell '03  
Director of Admissions

Bobby Frasier '05  
Director of Admissions

Matt Prunckle '04  
Director of Admissions
