FAQ

RISE Scholarship

Empower Illinois is excited to announce the launch of the RISE Scholarship program for the 2020-2021 school year!

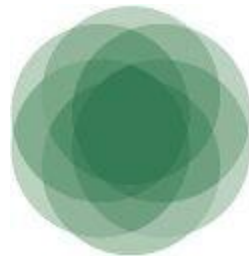

RISE Program provides non-transferrable scholarships to students who are new to private schools.

This year, **all RISE scholarship recipients must complete a [reservation and application](#) for a tax credit scholarship.** If a student is currently on your student list in your [EmpowerXChange portal](#), the family has already completed a reservation and application for a tax credit scholarship. Families will receive award letters via email and will need to accept or decline their award by responding to the award letter. Once an award is accepted, SATG school will need to confirm enrollment and attendance for your RISE students, just like TCS students.

What is Empower Illinois?

In August 2017, with bipartisan support, the House and Senate passed a comprehensive education funding bill that was signed into law by the governor. The law includes a provision for tax credit scholarships, which provide strong incentives for donors to support non-public school scholarships for low-income students in the state. Illinois students from low-income families may use these new scholarships to attend a non-public school of their choice.

This legislation represents a major step forward that will help create more equity in school funding throughout Illinois, and for the first time provide real school choice for students and their families.

**EMPOWER
ILLINOIS**

Empower Illinois

Tax credit scholarships: Students from low-income households in grades K-12 have the opportunity to receive tax credit scholarships for the 2020/21 school year. These scholarships are funded by donors who receive a credit on their Illinois state income tax as a result of their donation.

The Archdiocese of Chicago is working with Empower Illinois which will accept applications and grant tax credit scholarships.

Empower Illinois announced that its tax credit scholarship application system will open on **Wednesday, January 15 at 6:30 p.m RESERVATIONS open click to submit 7:00pm.** through their website, www.empowerillinois.org. Please be aware that there has been a major change to the application process. To make the application easier for families and maintain the first come, first served nature of the scholarship, Empower Illinois has created a two-step application process.

HOW IT WORKS

STUDENTS APPLY

Low-income and working-class families within 300% of the Federal Poverty Level apply for a scholarship to a private K-12 school of their choice.

DONORS GIVE

Individual and corporate donors make contributions to qualified scholarship granting organizations who then fund a scholarship. In turn, donors are eligible to receive a 75% state tax credit.

SCHOLARSHIPS ARE AWARDED & LIVES ARE CHANGED

Scholarships are awarded to families who meet the income requirements, based on available funds at their school of choice.

► **The application is a two-part process:**

01.

A reservation available **January 15, 2020 at 6:30 p.m. with submission at 7 p.m.**

02.

The complete application, which requires household documents, available **January 17, 2020.**

- Visit EmpowerIllinois.org to access the reservation form and begin your application.
- New this year, the reservation will open at 6:30 p.m., half an hour before the submission time, to allow families 30 minutes to enter their information. On page one, families will enter their information. On page two, families will review and confirm their information.
- Once you complete the form and click submit on page two, you will receive your timestamp. **Your timestamp matters and may impact your chances of receiving a scholarship.**
- You will be notified by email when the complete application is available on January 17. You can complete this step whenever you are able, but **we encourage you to submit your application before January 27 to increase your chances at receiving a scholarship.**

Step one Process for Empower Illinois

The first step will be to complete a brief online form: www.empowerillinois.org

- Your Name and contact information
- You will then be taken to a second page, where you will be asked the following questions:
 - Home address
 - Name(s) of child(ren)
 - Date(s) of birth
 - Preferred school
- Once the second page is submitted, you will receive a confirmation code that you should write down and save.
- After reserving your place in line, families will be **emailed** a unique link to complete the formal application. The application links will be sent on a rolling basis, over a few weeks, so please do not be alarmed if you do not receive a link immediately. After receiving the application email, families will have three days to complete the application and submit all required documents.

Scholarship Helpline – (855) 318-1222 Their hours will be 8 a.m. – 8 p.m. (Central Time), Monday – Friday.

- Only one reservation and application are allowed per family — even if you are applying for several students.

We will provide additional information regarding situations where the 1040 is unavailable.
