

December 2021

Dear loved ones,

At this time of year we are pondering the following: Singing  
"We usually think about angels singing, but when was the last  
time you thought about God singing? That's right --  
God singing and about Him singing over you? Zephania 3:14 -17.

It is likely that God sings over us -- those who have  
received Jesus as our Savior."

by John Blase in Our Daily Bread 10/19/21

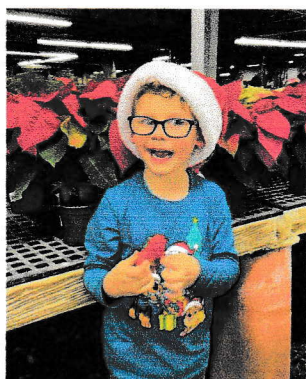

We were made in the image of God so that is where our  
singing comes from. It is a wonderful thought to ponder!

These last two years have probably been pretty much for you as  
it has been for us because of the pandemic and Covid.

Also, because of our advanced ages, we have limited our travel,  
social events, and other outings.

We are still active in other ways. Brian still goes in to volunteer  
with SIM four days a week. Our son Tim and grandchildren come  
over to visit often and we do special things with our family. Our  
daughter Esther and hubby Allen came for Brian's birthday, Son  
Stephen came for 2 weekends and we try to stay in touch with  
son David, grandkids, other relatives, and friends, too.

Here is a picture of our one and only great grandson, Broden.

We have much to be singing about at this  
Christmas time. God has blessed us and we are  
thankful for all of you who participate in our  
lives by giving, writing, e-mailing, texting, calling,  
visiting, praying, loving, etc., etc.....

**Have a joyful and blessed Christmas,**

**Brian and Jenny Maret**

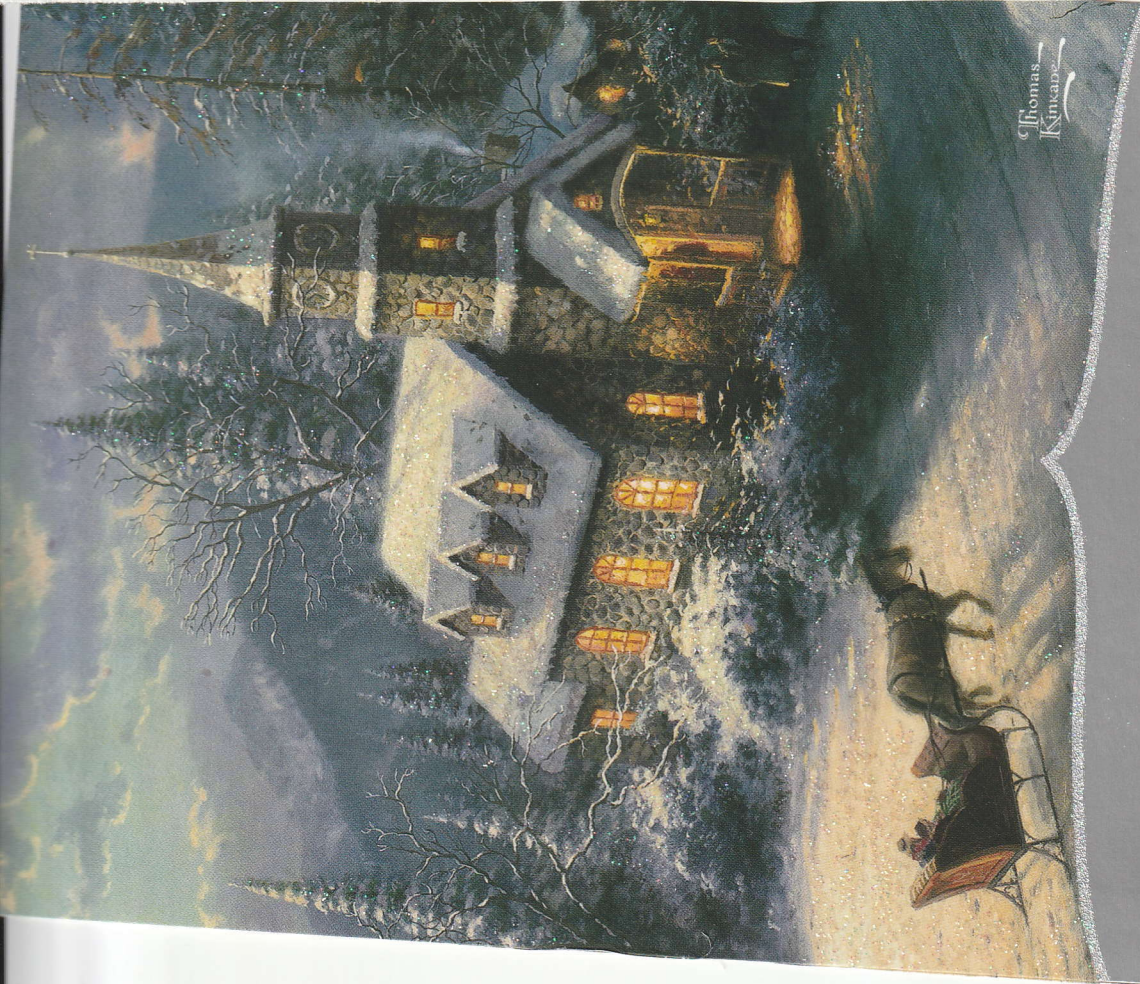

May the wonders  
of His birth fill you with  
joy...thankfulness...praise!
