**“He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness. You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God.” 2 Cor. 9: 10-11 (ESV)**

Greetings in Christ!

You have to go back to 2014 to appreciate what God has done to bring about Grace Worship Center in Croix-des-Bouquet, Haiti. A group of people met on a piece of land where Pastor Steve Exantus led them in prayer. Their prayer was answered. That piece of land, 1.04 acres, was purchased and paid for. A church was built and paid for. Pastor Iffranier Capricien shepherds 100+ regular attenders.

However, a major dilemma has arisen. On the westside of the church's property, individuals are trying to steal the land by setting up residence. Their persistence has brought Pastor Capricien to consider building a cement block wall around the perimeter of the property. An engineer surveyed the property and proposes that a 12-block high wall be built. The estimated cost is \$59,474.50 which includes materials and labor.

Pastor Steve and Pastor Capricien are asking for donations for the construction of the block wall. Please consider giving to RH4CM.

Please pray for Pastor Capricien as he shepherds Grace Worship Center. Pray for the congregation's safety as they deal with unwanted intruders. Please continue to pray for the health of Pastor Steve's wife, Mercenieuse. She has three more treatments to shrink a pancreatic tumor.

Thank you and may God bless you all!

Steve and Mercenieuse Exantus
