

"You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God. For the ministry of this service is not only supplying the needs of the saints but is also overflowing in many thanksgivings to God...Thanks be to God for His inexpressible gift!" 2 Cor. 9: 11, 12, 15 (ESV)

Greetings in Christ Jesus!

I have so much to be thankful for amidst three challenging months of laying to rest my father-in-law and daughter-in-law, caring for my mom, and unable to travel to Haiti. My God has sustained me by His grace. He has provided me with a part time job. He has provided me with a generous donors to provide a 5KW diesel generator, paint and school supplies for the Bellevue church and school in Bombardopolis. The school has 255 students and 14 teachers. He has strengthened Pastor Capricien with steadfastness to lead his church to pray for one another and others while the '400 Mawozo' gang threatens Port-au-Prince and the surrounding areas.
