To the family and friends of Calvary Church,

Praise God we are able to start meeting again in limited capacity consistent with government guidelines. Starting this Sunday, June 21<sup>st</sup>, the worship service will be held at 9:00 a.m. and 11:00 a.m. To monitor the number of people allowed during the service, it would be greatly appreciated if you can contact us and let us know which service you will be attending. For the time being there will be no Sunday School, Nursery, nor Meet & Greet at the church. The Zoom Children's Church lesson will continue on-line. For more information, contact the church.

Out of abundance of caution for you, Calvary will be following these guidelines:

- Only the Church Street door (by handicap ramp) will be used to enter and exit the building.
- Wearing of face mask is mandatory. If you do not have one, the church will provide one.
- Hand sanitizing stations will be available by the door and in other areas.
- There will be no hand shaking or hugs.
- For safe distancing, the chairs will be placed six feet apart.
- Families are permitted to sit together.
- Bathrooms will be available for emergencies only.
- An offering plate/box will be available at the back of the room.
- No gatherings within the building or at doorway.
- A thorough sanitizing of the room will take place between the service times.

Please, if you do not feel well in any way, especially with a fever or cough, we encourage you to stay home. The service will still be available on-line.
