

WELCOME TO OAKVIEW

Our church is more than a building, it is people who care. Discover the opportunities to make friends, be accepted, and make a contribution to God's community.

Meet families and individuals who share your interests and enjoy similar activities.

Just for starters, join us after church for a hot cup of coffee and cookies. At the same time, enjoy meeting new people and making new friends.

We invite you to grow with us in faith and love of our Lord Jesus Christ!
