

You've heard things are bigger in Texas?

In this case, it is true. North Texas Giving Day (NTGD) is the largest community-wide giving event in the nation, benefiting eligible, registered nonprofits in the DFW area. This online giving day lasts 18 hours, and Fellowship Academy is one of the eligible, registered nonprofits!

When is this greatness happening?

Mark your calendars for **Scheduled Giving** (keep ready for details on using FUNdraining pages set up for each grade), which runs from September 9 through the end of September 18, and **NTGD** is September 19, from 6:00 am through 11:59 pm.

Like seeing your kid smile? How about seeing your kid work as a team to compete to win an EPIC class party?

Please read on.

What will your donation do for Fellowship?

No matter the size of your donation, it will help us Demolish The Debt! We want to pay off a gym finish loan that was taken out in 2017. Paying off that loan will vastly improve our debt-to-asset ratio and put us in position to free up valuable resources when we refinance our property loans next spring.

Want a guaranteed higher return on your investment?

Your \$1 = more than \$1 on NTGD thanks to Bonus money. Every donation you make through the NTGD online platform is multiplied to give FA more money than your actual donation. Giving online also includes contributing through FUNdraining pages that are set up for each grade level. Bonus money is raised by Communities Foundation of Texas, outside of the NTGD, and is divided between the nonprofits proportionately.

Want even more for your money?

Your donation can be doubled through matching donors we secure outside of NTGD. Right now, we are working on bringing in matching funds so that we can challenge our givers to double their donation. And, ask your employer if they have a matching funds program, giving to charitable organizations. If they do, have them send their matching fund donation straight to Fellowship Academy, and not through the NTGD online platform. Please let us know to be expecting that matching gift.

Want the potential of even more for your money?

During the 18 hours of giving, each added donor (not donation, but donor) increases our chances of winning an hourly prize given out by various donors.

Don't have a NTGD donor account already set up?

If you don't have a donor account already, **it only takes seconds and it is not a long, complicated process to set one up.** All you need to enter is your first and last name, your email address, and a password. That is it! To set up a donor account, go to <https://www.northtexasgivingday.org/index.php?section=newAccount&action=new>

Afraid you will forget to Get Up and Give on NTGD?

We've got that covered! Each FA grade level, as well as faculty and staff, has a FUNdraising page already set up and ready to go! Our grades will compete to see who can demolish the most debt in a 10 day period of time. These pages will be able to receive scheduled donations starting September 9. What this means is that you can enter a pledged amount on a FUNdraising page, enter your payment information, and that is it. Once NTGD is officially open, your contribution will automatically be paid on your behalf. More info on using FUNdraising pages is coming soon.

Curious about our FA NTGD profile and FUNdraising pages?

Don't want to give online?

That's okay. We can take donations outside of the online giving platform, but those donations do not qualify for bonus funds. Just note on the contribution that the gift is for NTGD.

Have more than one cause near to your heart?

Through your NTGD donor account, you can be a philanthropist for the day and give to as many registered nonprofits as you wish.
