## **Parent's Movement - by: Coach Archie**

Thank you for participating and joining the "READB4CONTACT" movement. As parents, we have the responsibility to mentor and guide our children to maximize and be all that they were created to be in life. I PLEDGE to do the following:

I PLEDGE: to not use profanity at my child's practices or games.

I PLEDGE: To not want it more than my child.

I PLEDGE: To not DISRESPECT the coach in public, and I will have positive dialogue to find resolution to my concerns.

I PLEDGE: To support the coaches instructions and decisions during practices and games.

I PLEDGE: To provide positive reinforcement and constructive feedback, to my child.

I PLEDGE: To involve family and friends in my child's academic achievements as well as their athletic achievements.

I PLEDGE: To not encourage my child to quit, because I'm not happy.

I PLEDGE: To not tell my child that they have to get a academic or athletic scholarship in order for them to attend college, instead I will position my child to have the opportunity to achieve either or both.

I PLEDGE: To not discourage my child with excessive discipline in an attempt to force them to do something either they really don't want to do or incapable of doing.

I PLEDGE: To always encourage my child to show sportsmanship.
