

"But the angel said to them, "Don't be afraid. I bring you good news of great joy that will be for all the people. Today in the town of David a Savior has been born to you; he is Christ the Lord."

Luke 2: 10-11

December 1, 2018

Dear Friends and Ministry Partners,

Do you remember that old game – telephone? Everyone would sit in a circle. One person would start off by whispering to his neighbor. The neighbor would whisper the message to the next person, then the next person and so on until everyone in the circle had heard the message. Then the last person would pronounce the message she had heard. Usually it was vastly different from the original.

The shepherds heard a message – a marvelous and long-awaited promise had been fulfilled. Through the years that message has not diminished or changed. We still have good news “for all the people”. But, at Care Net, we are experiencing a problem with communication.

The phones at Care Net are a wonderful tool for us to be able to communicate with clients. Lately, we have experienced some difficulties. One of the phones no longer connects with the others. The voice mail feature of the system no longer works. While we have a new fax machine, the phone system is too old to recognize the more modern technology of the fax machine. Finally, since the system is over 15 years old, there is no customer service or repair service available. While we have been able to work around all these issues and continue to operate almost effectively, we realize that these issues will continue to compound.

This Christmas season we are asking you to help us share the message of great joy. Help us communicate well and efficiently with women and men considering abortion. We ask you to consider a special year-end gift to help purchase and install a new phone system that will serve us for the next 15 years. Quotes we have collected place the cost of a 6-phone system at about \$5,000. Any funds donated above what is needed for a phone system will be used to begin upgrading the computers.

To donate toward Care Net’s phone system, simply write “phones” in the memo of your check or type “phones” as the special designation when making a contribution online at www.eupforlife.org/Support-Financially, at the bottom of page.

Thank you for helping us to share the good news that Jesus Christ is Lord.

Merry Christmas and a Blessed New Year,

Noel K. Rupprecht
