

# Care Net Pregnancy Center at the Chippewa County Fair!

We need YOUR help!

Care Net will be setting up a display in the exhibition hall to get the word out about our services – especially our ultrasound services! We want to make sure someone is always there to answer questions, to tell people about how Care Net can help them, and to give valuable information to the people who will be at the fairgrounds. Can you help us? We are looking for volunteers to fill two-hour time slots from Tuesday August 28<sup>th</sup> through Monday September 3<sup>rd</sup> from 10 am to 10 pm each day.

A short volunteer orientation (no more than an hour) will take place in August before the fair so that every volunteer is prepared to represent our ministry. Join us in spreading the news about life and how it can be discovered at our Center!

If your church or organization would like to fill a block of time, we can arrange a training at your location. Just give us a call.
