**Update Your Email....**Very soon your parish staffs will begin using email as a primary method of communication with parishioners. This is being done in all three parishes. This gives us the ability to communicate a message to all parishioners in all three parishes in minutes. In order for you to receive these communications, your parish needs to have a functioning email address on file for you. If you would like to update the email addresses we have on file, write them on your envelope or on a slip of paper (please include your name) & put it in the Collection basket or bring it to the parish office. Please provide your email addresses as soon as possible because it will take the parish staff some time to update our records. Once we begin using this email method, you will have the opportunity to opt out of future emails.

## Collection for Our Lady of Peace Family of Parishes

## Holiday Gift Drive

Thank you very much for your support this year of our Holiday Gift Drive! We were able to help 22 needy families in the Monroe/Middletown area with gifts and food for the Christmas Holiday. If you have ever had the chance to distribute, you know how appreciative these families are for all that we provide. ***Thank you again for all of your generous support!!!***

**Building Fund....**Did you know that Our Lady of Sorrows has a building fund that is used to pay for major repairs and maintenance? Collections for the building fund are part of our overall annual budget, but not included in our regular Sunday and Holy day Collection budget. Some years we collect more than is spent. This “surplus” money is kept in interest bearing accounts, so we have it during years when we have big repairs or ongoing maintenance. Due to rising costs for maintenance and repairs we raised the budget (goal) for the building fund this fiscal year a modest amount. Please consider donating to the building fund. If you like, you can give online by scanning the QR code on this page. Even a one-time donation helps to ensure that we keep our buildings and grounds in good repair. When a large repair (such as the current water line replacement project) is needed, we are blessed that we have the reserves to complete the repair. ***Thank you to those who have contributed to the building fund over the years!***
