Psalm 85

Lord, you showed favor to your land; you restored the fortunes of Jacob.

You forgave the iniquity of your people; you pardoned all their sin.

You withdrew all your wrath; you turned from your hot anger.

Restore us again, O God of our salvation, and put away your indignation toward us!

Will you be angry with us forever? Will you prolong your anger to all generations? Will you not revive us again, that your people may rejoice in you?

Show us your steadfast love, O Lord, and grant us your salvation.

Let me hear what God will speak, for the Lord will speak peace to his people, to his faithful, to those who turn to the Lord in their hearts.

Surely salvation is at hand for those who fear the Lord, that glory may dwell in our land.

Steadfast love and faithfulness will meet; righteousness and peace will kiss each other.

Faithfulness will spring up from the ground, and righteousness will look down from the sky.

The Lord will give what is good, and our land will yield its increase.

Righteousness will go before the Lord, and make God’s footsteps a way.

“New Life For Dry Bones”

Rev. John Gill

Prayer for Revival

O God that gives breath to our lives and to your church, we hear your ancient question addressed to us: “Can these bones live?” And we know the answer: “Yes, but only when our life comes from

you.” So we invite your Holy Spirit to breathe new life into the dry bones of our lives, and the dry-bones of our congregation—healing us, filling us, restarting us, rejuvenating us, and raising us up as a mighty army for you. Breathe on us, Breath of God, fill us with life anew. Revive us again! Amen.

Early Response Team (ERT) Training

August 10, 2019

8:30 – 5:00

Training is Free

Early Response Teams (ERT) are specially trained, self-contained teams who enter a disaster zone at the invitation of local emergency management officials, the local church or other recognized agencies requesting assistance. ERTs offer a Christian presence and are trained to provide various types of physical, emotional and spiritual assistance to disaster survivors. ERTs are registered with the Disaster Recovery Ministry of the Florida Conference and Disaster Recovery coordinates team placement to get help where it is needed most after a disaster.

ERT training focuses on types, phases and levels of a disaster and explains what is meant by early response. Participants learn the importance of spiritual and emotional care, tarping, flood clean-up, chainsaw safety, team requirements and much more.

Participants are trained by UMCOR-certified trainers and receive a badge identifying them with UMCOR and the Florida Conference. Participants must be 18 or older and pass a background check

Space is limited to 25 people and registration is required.
