

# PRAYER POINT GUIDE

## General prayers for city/community of Zumbrota:

- 1) **REPENT** (personal as well as on behalf of the community – past and present)
  - Self-focus, apathy, idolatry, adultery, timidity, arrogance/pride, complaining, criticism, unforgiveness, etc.
  - Pray for conviction of hearts to bring about a spirit of repentance
- 2) **REBUKE** any and all satanic influences and control over Zumbrota, and overcome any strongholds of the enemy by the blood of Jesus. May You, Lord, turn the tactics the enemy has used against Your people back upon his own camp (ie. division, confusion, etc.)
- 3) **EXPOSE** any works of the enemy in this community – any strongholds, hidden agendas, strategies/tactics. Bring them into the light and remove any veils of deception that have allowed these things to remain hidden.
- 4) **REPLACE** any lies of the enemy with Your TRUTH in any and all areas that the enemy has deceived.
- 5) **RESTORE** all that the enemy has stolen in every area (ie. marriages/families, health, finances, business, leadership, etc.)
  - Truth, freedom, heart for You, heart for others, love, good will, honor, integrity, morals/ethics
- 6) **RAISE UP** spiritual leaders, intercessors and harvest laborers from within our community and draw others in.
- 7) **WAKE UP** and **UNITE** Your believers to serve You with their prayers and intercession. Help us to hear Your call and become “watchmen on the walls” of our community. Give us wisdom, leading and guiding us in our prayers – place a burden on our hearts to pray. Instill in us a spirit of unity and help us to embrace one another through Your eyes of love and work together for Your purposes.
- 8) **DRAW** us into a closer relationship with You. Increase our hunger for You so we crave Your presence and are drawn into a deep, intimate relationship that changes our lives as well as those around us.
- 9) **REVEAL** in each of us our true identity in You. Help us to understand the love You have for us. Help us to see ourselves and those around us through Your eyes of truth and love. Show us who we truly are and who You made us to be! Reveal to each one of us Your divine purpose in our lives and the role we are to play here in this community. Reveal to us the unique, individual gifts and abilities You have given each one of us and show us how to best use them for Your glory.
- 10) **TEACH & EMPOWER** us. Help us to understand and walk in the fullness of ALL the power and authority that Christ has bestowed on us. Teach us how to be wise and effective warriors in the battle before us by using ALL the weapons of warfare You have given us. Daily, reveal to us Your battle plan through supernatural wisdom and give us the courage and strength to persevere in the fight.
- 11) **IGNITE** a passion in our hearts for You as well as our community. Make us more like You by increasing the love in our hearts for those You have placed around us. Give us hearts of love and compassion for the lost and restore in us genuine “good will” for our neighbors saved & unsaved, regardless of differences.
- 12) **EMBOLDEN** us to step out in courage as we carry out Your purposes. May Your love overshadow any fear in our lives so that Your love becomes our central focus, for Your perfect love drives out all fear. Turn our ears to hear Your voice above all others!
- 13) **PROTECT** us as we serve You. Protect our minds from deception. Protect our hearts from pride, rejection, bitterness, unforgiveness, fear, etc. Protect our bodies from sickness, disease and all harm. Protect our property and finances. Protect us from all attempts of the enemy to distract, discourage, divide or destroy us. May the battles we face only serve to strengthen us and make us stronger in You.
- 14) **BLESS** us with Your mercy and Your grace. Show us favor as we join with You and one another to bring about the purposes You have for our community. May others recognize the favor upon our lives as being from You so that You receive the glory. Encourage and strengthen us in the battle and give us eyes to see our community the way You intended all along.
