

ADULT SUNDAY SCHOOL!!

You are invited to a genesis of our adult Sunday school class at 9:00 on Sunday mornings! We will be using the **NOOMA Videos Series** by Rob Bell (feel free to Google him). There will be 24 sessions in this video series. A discussion off the video will then follow that will be facilitated by Pastor Tom. The video is short (10-15 min.) and will give us food for thought as Rob shares elements and applications of biblical truth and Christ-like living to our relationship with God through Christ our Lord in his unique style of presentation. The first video is titled "Rain" where he talks about the storms of life.

Rob is a well known pastor and author of ten books, including the New York Times bestsellers "What We Talk About When We Talk About God", "The Zimzum of Love", "Love Wins", and "What Is the Bible?" His podcast, called the RobCast, was named by iTunes Best of 2015. He's been profiled in the New Yorker and Time Magazine named him one of the 100 Most Influential People in the World in 2011.

In the NOOMA film Trees, Rob Bell discusses the importance of everything we do. Jesus lived with the awareness that God is doing something right now, and anybody can be part of it. God is always inviting us to open our eyes and join in. No purchase of a book is necessary; just come and share in the fellowship between the two services.
