# The Movement from Broken to Beloved

## Seminar Overview

On the day you become a Christ-follower, God instills endowments of wonder and beauty within you. From your first step on the path of Christ, the Father seeks to awaken your true self, and help you step into your divinely created uniqueness. However, the enemy of your soul, the unhealed emotional wounds of the past, and the message of the world that says you do not measure up, continually seek to diminish the wonder of you.

During this seminar, taught by Terry Wardle, you will be invited to make a journey of awakening with Jesus.

## Seminar Topics

- ❖ Awakening to the wonder present in your life because you said yes to Christ
- ❖ How the Holy Spirit unleashes wonder in your life
- ❖ Welcoming you to the table of the Lord
- ❖ The barriers that keep you from stepping into your true self
- ❖ Resting secure in your identity as a child of God
- ❖ Discovering "What's New About You"
