THP Small Groups

We all have had experiences that stay with us. They may be places of trauma somewhere in our growth that tend to run our lives or places of loss and grief that have left us heart broken. Sometimes we are in a season where we just need to find our way into the Father's loving arms. Wherever we are we need the Lord's help in the journey!

The Healing Place is committed to your wholeness and wellbeing, offering several life-changing small group opportunities. All of which are offered online!

Our online small groups allow us to provide a safe and sacred space for healing to people across the world using Zoom. With the advances of technology, you will be able to participate regardless of where you reside or the time zone you live in. You will be amazed at how the Holy Spirit will meet you and your group in a wonderful encounter of love and grace.

Our small groups are facilitated by caregivers trained in formational prayer and our spiritual direction groups are led by trained spiritual directors. We invite you to register today for one of the small groups beginning the last week of September 2022.

The Sixteen-Week Group helps those who are struggling with emotional and spiritual brokenness. The group offers a safe and confidential place to heal from deep wounds, false beliefs, damaged emotions, and dysfunctional behaviors. (Meets Tuesdays 6:30pm – 8:30 pm)
Registration \$75.00; weekly fee - \$25.00

The Twelve-Week Group is about your attachments. The focus is on helping you understand why you feel, act, and relate the way you do. (Meets Tuesdays 6:30pm – 8:30pm)
Registration \$75.00; weekly fee - \$25.00

The Grief and Loss Group is all about the needs of persons who are grieving past and present losses such as the death of a loved one, divorce, loss of health, etc. A 12-week format will be used to walk through the tasks of grief. Three meeting options are available. (Meets Mondays – 6:30 pm – 8:30 pm)
(Meets Tuesdays – 10:00 am – 12:00 pm)

They Say...

- Feelings signal our spiritual condition and tell us a great deal about what we really believe deep within.
- Expressing and listening properly to our feelings can be the doorway to spiritual growth.
- Emotions can tell us where the questions, mis-beliefs and weak points are in our faith.

Your Emotions are a Gift

■ WHOLENESS AND FREEDOM ARE POSSIBLE BY THE POWER OF THE HOLY SPIRIT.

- "Jesus died for your wounds, whether physical, spiritual or emotional and He provides the necessary power for healing. But what is hidden must be brought out into the light." (Wardle)

Groups will be offered starting the last week of September 2022. Your group facilitator will contact you about your group's specific start day. Your registration fee includes your Participant Guide and any book required for your group experience. If your weekly fee is paid in full at the time of registration you will receive a \$25.00 discount.
