### ***WHAT PEOPLE ARE SAYING about this seminar...***

“God lifted the “mantle of shame from my shoulders and I am released from that burden I’ve carried since early childhood - some 62 years! Many God moments I tried to journal as the session progressed.”

“In what is the lowest point of our lives, we were given applicable information that we could easily apply to our situation. Much of what was presented met us right where we are at. It is so freeing to realize that our identity is in Christ alone + that no past present or future behaviors can change that.”
