Power and Purpose of Fasting

Prayer: Communication with God

Goal: Hearing from God

Fasting: Going without food/drink for a period of time for a stated purpose

Goal: Focusing all our attention on God

Prayer and Fasting: Focusing all our attention on God so that we may hear from Him

It is written, man shall not live by bread alone, but by every word that proceeds out of the mouth of God. Matthew 4:4; Luke 4:3; Deuteronomy 8:3

Loose the Bands of Wickedness

According to Isaiah 58:6, one of God's primary purposes for fasting is to break the bands of wickedness. In Matthew 17, a man brought his son to Jesus who was possessed by a devil because His disciples could not heal the boy. After Jesus cast out the devil, His disciples asked why they could not cast him out. Jesus informed them that not only their unbelief hindered them, but this type of wickedness only go out by prayer and fasting. There are some obstacles we face that can only be removed through prayer and

fasting.

Undo the Heavy Burdens

According to Hebrews 12:1, unconfessed sin and anxiety weigh us down and keep our health and victory from springing forth. In Nehemiah 9 the children of Israel assembled together to fast and confess their sins and the sins of their fathers, consequently it took them 52 days to rebuild walls in a city they returned to 72 years earlier. How long have you been existing with your walls torn down because of the heavy burdens of sin? Acts 3:19 tells us that when we repent, the presence of the Lord come with times of refreshing.

Free the Oppressed and Break Every Yoke

According to Esther 4, we position ourselves to battle and win against approaching danger when we fast. An enemy of the Jews strategically had the king set a formal decree to annihilate all Jewish people and when Queen Esther, a Jewess, was asked to help, she was afraid. But, after praying and fasting, God equipped her with a plan that not only saved her life but the lives hundreds of thousands of Jews. God is waiting to equip us with a plan that will deliver us and others out of the hands of the enemy. Let's Fast & Pray!
