## HISTORIC

Carver Camp is named after George Washington Carver, one of the greatest scientists of the 20<sup>th</sup> century.

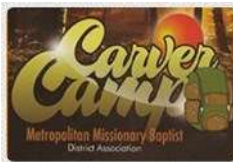

Our vision embodies Professor Carver's legacy in its spiritual, cultural and educational philosophy: *God, Science and Education.*

## UNIQUE

The Metropolitan Baptist District Association of Detroit founded Carver Camp in 1944.

The camp is located on a secluded and exceptionally beautiful 400-acre wooded site on the shores of Grass Lake.

Studded with wetlands, oak hickory woods, and rolling hills, its natural setting is as spiritually uplifting and breathtaking as it is tranquil and peaceful.
