Commander's Message

My Fellow Legionnaires: Here we are once again in the month of June and with that comes the final days as your Commander. I would like to welcome the new Commander Jay Jakar and his board of Officers! I'm sure they will be supported even greater than we were. I wish them all the success, and I will give all my support as I'm sure the rest of you will. The only way our American Legion will continue to succeed is to support the new Commander and his Board. Jay Jakar's dedication to the American Legion should never be doubted. I've known this man now for a few years, and he is an honest and hard charging Marine. He will do great things for American Legion San Fernando! I know his goal as well as all of ours is to continue the success of our post so that generations to come can enjoy it as we have.

So, this is the end of my 7th or 8th year as your Commander, and I have to say it hasn't always been easy even if it appeared so. It has taken a lot of hard work and dedication from myself and every board member to get to this point. Thank you, board members, for your support! I know in the past 7 or 8 years I've leaned on every one of your board members to accomplish a specific task. And none of you have ever let us down thank you for that. Thank you for the opportunity to be your Commander and lead this great post! When people found out I was no longer going to run for commander I kept getting the same question, " Are you going to miss it and ", Of course I'm going to miss it, it's been my life for the better part of a decade, but it's time for a change, it's time for new ideas, and a new way of doing things.

Now I would like to thank everyone for their continued support throughout the years and especially all those haters and naysayers, the ones that actively tried to tear us down. Because of you! It makes our success that much sweeter!

Have a great month, and I will see you at the post!

Patriot Bingo

Patriot Bingo continues to maintain an attendance at the 40+ level. We are now seeking local businesses and members of the community-at-large, to become sponsors of some of our events. We will then be able to pay out larger prizes. We anticipate that in the near future, our attendance will begin to increase. We would like to be prepared to meet that challenge by offering more attractive prizes. If you are interested in becoming a sponsor, or if you know of anyone who would like to become a sponsor, please call Bob Woodford at (818) 894-4246.
