Praying friends,

It has been a busy time serving the Lord this past month! What a blessing it has been to represent you here in Brazil.

Girls Bible Study

I once again had the opportunity to host our teen girls in my home for a Bible study this month. The Lord has blessed once again, and I was encouraged with the turnout as well as with the participation of the girls. They have enjoyed learning how to study the Word of God and I am excited to watch them grow! One of the girls in particular, **Bárbara**, has been a continual blessing to me as she has deepened her walk with the Lord and shown much potential for future ministry. Pray with me that the Lord would continue to use her life.

Deaf activity

Also this week, we had a Deaf activity at church. It was a great time of fellowship and encouragement for them. I enjoyed getting to spend time with our wonderful church family!

Prayer Requests

Libras class

This Saturday, I will begin teaching an 8-week Libras course not only to interested members of our church but also to members of area churches as well. Please pray with me that God would use this class to train future Deaf workers and bring awareness to the great need!

Bible institute

Please be in prayer with us for the many Bible institute students who are studying and preparing themselves to serve the Lord. Our Deaf institute will be back in session very soon, and Lucas has already begun his final year of study. Pray that the Lord would give strength and wisdom to these students.

Thank you for your continued prayers and support! May the Lord richly bless you!
