

PREACH

EVANGELISTIC MINISTRIES

1st Quarter 2026

Dear Brethren,

Grace and peace to you in the name of our Lord Jesus Christ. As we begin this new year, we are grateful for the many opportunities the Lord has already placed before us. 2026 is opening with clear direction, expanding responsibility, and increased need. We ask you to pray with us as we step forward in faith.

The Lord is enlarging the scope of our ministry both abroad and here at home. With this growth comes the need for expansion within our stateside team, particularly in our office operations and Mentoring Programs. As more families enter training and more projects are undertaken, we recognize the need to strengthen our administrative and logistical support. Additionally, we are praying for the Lord to provide increased financial partnership to sustain and expand these efforts. Growth in ministry must be matched by growth in support, and we trust the Lord to supply through His people. Please pray for wisdom as we steward this season of expansion.

Tons of Truth

On January 20th, a container of Scriptures was shipped to Ukraine. We are praying for its safe arrival and that God would bless the use of every Bible and printed page for His Kingdom and for the sake of the Gospel. We are already planning additional shipments this year. Lord willing:

- Another container to Ukraine
- Multiple shipments to the Philippines
- Portuguese language shipments

We ask you to pray that the Lord would open doors, provide funding, and prepare hearts to receive His Word.

Philippines Northside Baptist Church

Sarah and I had the privilege of visiting Brother Jun Pizana in the Philippines and participating in Northside Baptist Church's Second Anniversary services. What a blessing and encouragement it was to witness the Lord's work firsthand.

The church is growing, strengthening, and reaching its community. We are currently making plans for a seminary partnership with Northside Baptist Church in the coming year. Additionally, we are working toward shipping Scripture containers to assist with church literature needs and to help train a new generation of pastors and missionaries in that region of the world.

Please pray for wisdom as these plans develop and for the Lord to guide each step.

1st Quarter 2026

Romania

The White family has arrived in Romania to begin their first term of service, including language and culture studies. We ask you to pray for them as they adjust to this new chapter.

Please also pray for:

- The Schrock family
- The local church in Romania
- Unity, fruitfulness, and spiritual strength

This is foundational time for the Whites, and what is built now will shape the effectiveness of their long-term ministry.

Mentoring Families

Our Mentoring families are progressing steadily and are on track to complete their seminary training this December. As they near this milestone, discussions and direction for their future ministry steps are already taking shape.

This is an exciting and pivotal season for them.

Please pray:

- For clarity of calling
- For spiritual protection and steadfastness
- For wisdom as next steps are solidified

Church family, we are deeply grateful for your faithful prayers and support. The work continues because you stand with us. As this year unfolds, we believe the Lord is positioning us for even greater opportunities for multiplication and gospel impact.

For His Glory,
Phillip Pritchard
