

MISSIONARIES TO CÔTE D'IVOIRE, WEST AFRICA

Dear Friends and Prayer Partners,

April 2026

The Lord has been so faithful to our family. Thank you for your prayers!

A NEW BABY

We are thrilled to share that our daughter, **Nicole Annette Schrock**, was born on **January 31st**. She is healthy, bright-eyed, and growing. We are thankful that God would entrust us with this little one.

A NEW HOME

We recently moved into a rental house and are getting settled. After our apartment, the extra space has been a blessing—and we now have a *yard*! This is a big deal to us, and we are grateful for the Lord's provision. It has been a lot of work, and things are becoming more comfortable. Last week we got a washer and dryer! Washing clothes for the whole family by hand was time-consuming and tiring, so these machines have already made life a lot simpler. We also got a stove! We are very thankful.

LANGUAGE STUDY

Language learning continues to be one of my primary focuses right now. I am having French lessons **three times a week, two hours per session**, and the Lord has blessed me with a truly gifted teacher. The work is demanding—there is no way around that—but I am making real progress. Please pray for diligence and retention.

MINISTRY OPPORTUNITIES

I have also had the privilege of **preaching several times at my father-in-law's church**. These opportunities provide good practice for me with the language.

Thank you for standing with us through your prayers and support.
