Are you concerned about your health?

3 John 1:2 says, "Beloved, I pray that all may go well with you and that you may be in good health, as it goes well with your soul."

If you are concerned about your health, do something about it. There are many individuals who are concerned about their health, but they just will not do anything about it. Your body is a temple, and your temple should be in good health. God wants us to have good health and to take care of ourselves. Therefore, we must be mindful of what we eat, and how we treat our bodies and minds. 1 Corinthians 3:17 says, "If anyone destroys God's temple, God will destroy him. For God's temple is holy, and you are that temple." Peace and Blessings!

Mental Health Awareness Month

"If you're reading this, release your shoulders from your ears, unclench your jaw, and remove your tongue from the roof of your mouth. We physically tend to hold onto stress in the least noticeable ways. Relax!"

May is Mental Health Awareness Month! We are all dealing with our on trials and tribulations, but as a church family we must remember it is important to uplift each other in prayer and support each other. Taking care of ourselves just as much as we take care of others is very important! Do not be afraid to show vulnerability by asking for help. God has given us this church family to provide fellowship, unity and support. The work for the Kingdom is not always easy, but it is worth it.

Take a break. Read a book. Take a walk. Take a soothing bath. Have a cup of tea. Get a massage. Take a trip. Pray. Meditate. Spend some time doing something you love, if only for a short moment. Give yourself a moment to breathe and check on your mental health. The Bible says, in Romans 12, to be transformed by the renewing of your mind. Fight for your peace.
