Subject: 2024 Deacons & Ministers Council

Greetings in the Matchless Name of Jesus Christ,

I, Apostle Jimmy Hicks, along with the Executive Board of The Apostolic Church of Jesus, Inc., am excited to announce our upcoming 2024 Deacons & Ministers Council. This year, God has given us the theme *"Prayer & Praise."*

As we continue to build on the legacy of our founder, Bishop Harry Johnson. Remembering Apostle Bishop Dr. Preston Rolle, Sr., and his focus on *Membership, Fellowship, and Friendship*, we seek to incorporate *Prayer & Praise* into every aspect of our gathering. A strong prayer life is essential for spiritual growth and our daily walk with God. *Praise*, in turn, affirms our reverence and gratitude to our Lord and Savior, Jesus Christ.

Dates and Events:

Our council will convene **Wednesday, December 11th, through Friday, December 13th**, with uplifting messages, dynamic speakers, and nightly exhortations to encourage and inspire you. The gathering will culminate on **Saturday, December 14th**, with a sacred **Consecration and Elevation Service** led by Apostle Alex L. Jenkins, marking a historic moment in our organization. You don't want to miss this powerful service. At our headquarters church in Avon Park, FL 920 South Caroline Ave. Hosting this council are Emeritus Apostle Stanley Smith and the Headquarters church members.

Prayer & Praise Seed Vision:

In preparation for this event, God has placed a financial vision in my heart: *the "24 Prayer & Praise Seed."* Reflecting on Genesis 14:18–20, where Abram tithed to Melchizedek, I believe God is calling each church to come together in unity and faith.

The vision is for **24 individuals from each church**—members, family, or friends—to contribute **\$100 each**, collected locally before the Council. Each church will then report its contributions at the Deacons & Ministers Council. The West Palm Beach Church is leading this vision by pledging **\$2,400**. Together, we trust God for miracles, signs, and wonders as we sow into the work of the Kingdom.
