*For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it. Isaiah 55:10-11 (KJV)*

God's Word is always successful in accomplishing its objective. And what objective is that? Very simply it's the transformation of our lives and the building up of the Lord's church. My motivation for ministry has always been the miracle of "seeing lives change." The Word of God is what has changed and continues to change my life. My greatest desire as Chief Apostle and Presiding Bishop is to see lives transformed through the hearing and doing of the Word of God. The Lord has shown me that my labor is not in vain.

The past few years have been the most fruitful in my entire almost 50 plus years of ministry. I am able to see the spiritual growth and maturity in our organization. This is the goal for which I am constantly striving to reach. I am grateful to God for all He has done in, through, and for us these past few years. The Apostolic Church of Jesus, Inc. was a great church when I arrived in 1955 and it continues to be till this day.

The divine prescription for the church is found in the Word of God. It is my prayer that we as a church family would continue to take, eat, and drink as prescribed by the Lord. I am truly grateful to the Apostolic Church of Jesus, Inc.

It is my prayer that we would abide in His Word and continue to bring forth fruit, more fruit, and much fruit.

*Chief Apostle, Dr. Preston Rolle, Sr.*
