

*HMBC'S IHOPE Ministry Presents:
Building the Vision to Bridge the Gap*

*Bringing Generations Together Within
The Church*

Summary

On behalf of the I-Hope Ministry, we're asking that you take the time out and view our *Vision: "Building the Vision to Bridge the Gap"* located on the church website. Each generation has specific roles to fill and jobs to do in the Church. But many, if not most, of those roles and jobs are most effective when done with people from other generations. God made us gifted uniquely, so we would play our own special role in building up the body of Christ. Our mission and vision could not be a reality without you." Thank You.
