The Common Thread

The ancients often thought of water as dangerous and troubling: the deep, an abyss, a stormy sea, a flood. Nevertheless, God turns these waters upside-down. He uses what would cause death to bring life. Those who have been buried with him in the waters of baptism are killed and made alive. How does that work? God's word, rising authoritatively over the chaos of watery death, promises life. And it is so. His Spirit, who gives life (John 6:63), comes to us in baptism.

Pantry

It is not easy to determine what is needed each week. However, Sandra shops every week to replenish the shelves, so money is an excellent option for donating. This way she can purchase what is needed. **Please consider adding extra money to your envelope. Your envelope now contains a place to donate to the Pantry.**

The pantry is open on the first and third Thursday evenings of the month, from 5:30 pm to 6:30 pm. The pantry accepts food donations, personal items, and cash. In addition, **the pantry is always in need of plastic bags for distributing food.** If you don't know what to do with those extra Publix bags, bring them in on Sunday.
