Prayer Warriors

My command is this: Love each other as I have loved you. John 15:12

We pray for -

- + all who have health issues, that they may be healed according to God's will; Nancy, Glenda, Virginia, and Jim;
- + for those who are enduring weather related devastation; extensive fires in the northwest US, flooding around the globe, near developing hurricanes, that the people and their property will be protected;
- + emergency workers in all areas of care and protection who daily put their lives in harm's way;
- + the institutionalized who long for social contacts during their confinement;
- + students and teachers as they return to the classroom;
- + for all people for understanding and acceptance, and that they may feel our love and concern;
- + for all who hunger for nourishment, both physical and spiritual.

Sovereign Lord, Praise and glory to You!

Lead us to love and show devotion to all people, for we do not walk in their shoes, nor do we understand the multitude of situations that have impacted them. Help us to be loving and thankful for everyone and everything in your creation, never taking anything for granted.

Bring us to understand that You alone have made us who we are and that all are truly beloved. May we love selflessly, be understanding, and not come to judgment easily, but

think through with much prayer all the things that we find upsetting. Grant us new hope each day so we may become more faithful, more just and more loving, giving ourselves to one another as servants of the King. Our prayer is offered to the Son of God, the Lamb of God. Amen.
