

December Lamb Room Newsletter

Ms. Merkle/Mrs. Gray

December month has gone by too fast... Happy Holidays to everyone!!! From decorating the classroom Christmas tree to learning our Christmas songs for the program to doing holiday art to making a gift for the parents, the children have been so busy. We have also had been learning what it means if something floats or sinks the children were very curious in the experiment. We talked about when the weather gets colder outside what do we wear to keep warm. I wanted to thank the parents that have contributed/helped at the Christmas classroom parties.

JESUS TIME In Jesus Time we were learning about meaning of Christmas. We focused Baby Jesus that was born in a stable lying in the hay and who was there for the birth.

REMINDER: We return to school on January 4th
