

Director's Notes

2020-2021 School Year

The coronavirus remains with us and Zion Lutheran ECEC will likely not return to normalcy until there is a vaccine or a cure. A return to school will look different this year. Zion Lutheran families, students and staff will need to be flexible and understanding that the priority of protecting the health of our students will require changes in procedures.

Zion will abide by recommendations and guidance's from the IL Department of Public Health, CDC and DCFS and NID—LCMS. Whatever the circumstances, we remain committed to providing a loving Christian environment and a quality early childhood education.

Some of the changes you'll see are enhanced cleaning and disinfecting routines, physical distancing, reduction in class sizes and using PPE like face masks.

The COVID changes are a cautious approach to finding a balance of the need for hands on learning and lessoning the exposure to the virus. All changes will remain as the "new normal" during this phase of the pandemic.

Please feel free to contact the ECEC if you have any questions about the adaptations made for the children, parents and staff of Zion ECEC. They're in place to ensure that Zion Lutheran ECEC is safe and prepared to educate His little learners.

We're Here for You

We truly understand all of the changes parents have made in a short period of time. Let us know how we can help, our Early Childhood professional teachers can be a source of guidance and support to you and your families. Our door is always open.

"This is the day
the Lord has made"
Psalm 118:24

"The mission of Zion Lutheran Early Childhood Education Center is to open the door to a lifetime of learning in a Christ-centered community."

If you have any friends who are looking for a preschool, pass along a good word of mouth for Zion Lutheran Early Childhood Education Center. Thanks!
