September 29, 2025

What we will be learning

Jesus Time: Noah's Ark

The children will be learning that God ALWAYS loves us. We may sin, but God's love is forever.

Letter of the Week: Tt

Through our Jolly Phonics program the children will learn the sound of the letter Tt. We will also begin to learn that letters and sounds make up words. We have learned the letters s and a. We can make words like: at, sat.

Shape of the Week: Triangle

The children will learn how many sides a triangle has, as well as, how to build and draw a triangle.

Science: Life Cycle of an apple/Parts of an apple

The children will also be taste testing 3 different color apples and then we will graph their favorite.

Reminders

- **School Pictures are on Tuesday, September 30th**
