**February**

I can not believe we are halfway through February! We had lots going on this month!! Our class hosted chapel on Monday, February 12th and Tuesday, February 13th. We collected money for a food program in Belize. Our story for Bible time was about a tax collector named Zacchaeus. We also had our Valentine's day parties and the kids had a blast. We are working on our cutting skills and I am having them cut paper. They really enjoy it. We are working on holding the paper, holding the scissors correctly and snipping or cutting. So much fun stuff going on.
