

# January Frog Room News

Happy New Year! We had a great transition back to school after having two weeks off. It is always nice to see happy faces eager to learn.

We are all about winter in our classroom this month! We used watercolors to paint snowflakes, made a snowman using cut circles, and plan to do even more winter-related activities. The children listened to the "Mat Man" song and built their own Mat Man by adding a head, facial features, a body, arms, hands, legs, and feet. The weather was somewhat chilly lately and we were not able to go outside, but we had lots of fun indoors in our school gym. Hopefully the weather will cooperate soon and we can play outside.

During our Jesus time, we heard the story of the three wise men that came to visit Jesus. We talked about how Jesus was a little child just like us and that we can do things now then we couldn't do as a baby-like walking and playing with big toys!

I am looking forward to meeting with you at our Zoom conferences next week!

## Upcoming Dates:

😊 January 24 - 30  
Lutheran School Week

😊 January 25 & 26  
Chapel

😊 January 27 & 28  
Parent Teacher  
Conferences

😊 January 28 & 29  
No School
