

Look at What We are Learning!!!

The Fish Room January Newsletter Mrs. Kowalski

Humpty Dumpty

We learned the words to the rhyme and each child shared their own idea of why Humpty Dumpty fell off the wall. During our gym time we practiced our throwing skills during a Humpty Dumpty Egg Toss game.

Jesus Time

This month we read the story *The Wise Men Visit Jesus*. We read how God put a special star in the sky when Jesus was born and how Wise Men followed that star to Bethlehem to find and worship Jesus. (Matthew 2:1-12)

Little Miss Muffet

After reciting and discussing the rhyme, each child was able to act it out, playing either the part of the spider or Little Miss Muffet.

Little Bo Peep

After reciting the rhyme, the children played a shape and color matching game where they had to help Little Bo Beep find her lost sheep.

Jack Be Nimble

We learned the rhyme and then went to the gym to practice jumping at different stations. We practiced hopping, leaping, jumping off, jumping over, and even jumping high on a trampoline.

Baa Baa Black Sheep

After learning the rhyme, we played a math counting game. Each child was given a sheep cup holding 20 black pom poms. During each child's turn, they rolled a die and "sheared" that many pieces of wool off their black sheep.

Block Center

Here are just a few things we are learning while playing with blocks:

- practicing how to cooperate, share, plan, and negotiate
- developing fine motor skills
- using mathematical concepts such as shape, size, balance, & counting
- creativity & decision making skills
- developing visual discrimination skills

Parent/Teacher Conferences

Conferences will be held on Wednesday, January 27th in the afternoon and the evening. Portfolios will be sent home for you to share with your family and can be returned next week!!
