January

Happy New Year! I hope everyone had a safe and relaxing holiday break. So far our first month of the year has started off quite cold and snowy!!!! We have been working on being more independent in the room. I am having the kids hang up their coats and bags at drop off and then transition to wash hands with one reminder. We are also working on having them put their coats on by themselves. Have been talking about the snow and making snowmen and going sledding. I will introduce 5 new letters soon! We are also doing a calendar and talking about the month, days of the week and looking at numbers.
