

## January 2021 Newsletter

I hope that all of you had a wonderful, safe and healthy Christmas break with your families! It's a New Year and lots of new things will be happening!

- Thank you for taking the time to sign up for parent/teacher conferences! It's always a pleasure to be able to talk with each of you about how your child is doing. It is so fun to see how each child grows and develops throughout the school year. Unfortunately, due to COVID, all conferences this year will be held on Zoom. I will be sending you a link for our Zoom meeting the week of conferences. I will also send you an email reminding you of your time slot that you signed up for.
- Lutheran School's Week will be the week of the 25<sup>th</sup>, and we will enjoy talking about how we can be servants for Christ. We will spend time making cards for the members of the congregation who do not get out and about. We hope the cards we make will help brighten their day!
- Coming up soon will be our Valentine's Day party! We will celebrate on Friday, February 12<sup>th</sup>, with a fun snack, games, and a craft. I will be hanging the sign-up sheet on the door in the coming weeks if you would like to volunteer to help! Unfortunately, families will not be able to join us for the party, but Mrs. Michelle and I will take plenty of pictures of the fun! Handing out Valentine's will also look a bit different. We are asking that you bring your child's Valentine's to school **NO LATER** than Wednesday the 10<sup>th</sup>. We will hold onto them until our party, when your child will then be able to pass them out to friends. I will be sending more info as the date gets closer.
- Last week we finished up some fun winter activities, and this week we dove right into nursery rhymes. This is a fun unit for the students as they will get to act out the rhymes, play games, and learn rhyming words! We also incorporate science activities, and some fun songs to go along with the nursery rhymes. I've found that this unit is something the students really enjoy, and really get into learning.
