

News From the Two's

January 2021

I would like to thank Miss Shannon, Miss Becky, Mrs. Reilly and everyone who made the time I was recovering go so smoothly. And thank you to our wonderful class who just goes with the flow.

We learned about snow. One of our very favorite activities was

snow and adding food colors. We talked about green triangle trees and brown rectangle stems and painted snow on the trees.

Our Jesus story is about the wisemen following the star and finding baby Jesus. They were so happy to see baby Jesus because they loved Him and we love Him too. We also talked about Jesus going to church as a boy.

It was wonderful to meet with you for parent teacher conferences. The Zoom platform worked very well.

Valentine's Day is coming soon. Please send in Valentines on February 8 & 9. The parents will be able to provide things to make our Valentine's Day special. Look for that email.

Enjoy these snowy days!
