

## Ms. Beard and Mrs. Stephanie's Frog 2.5 yr old classroom

### November

This has been an exciting first month at this school. We talked about fall, fall colors, family and Thanksgiving. We matched fall leaf colors, did a matching letter activity, made family portraits and talked about what we like to eat at Thanksgiving. We read a book called "Leaves! Leaves! Leaves!" By: Nancy Elizabeth Wallace and "Try Saying Thank You". We are signing a new morning song and a new goodbye song.
