

November 2019 Newsletter

Fall has arrived with colder temps, frost on your morning windows, and already some snowflakes! We have been enjoying all things fall this month, and are looking forward to Thanksgiving break! Here are some of the things we have going on in our classroom:

- We finished up our pumpkin unit by cutting open a pumpkin and exploring what was inside. We had fun making a pumpkin diagram using the seeds from our pumpkin.
- After learning about pumpkins, we moved onto exploring apples! Each child got to bring in an apple to share with their classmates, and they loved showing each of their friends their apple! We talked about all the different parts of an apple, and did a taste-test to see what kind of apple was our favorite. Red was the favorite, with yellow and green close behind! We finished up our apple unit by doing some apple stamping and making 'apple roll-ups'.
- With Thanksgiving right around the corner, we've been talking all things thankful and turkey! We have been talking about what we are most thankful for, and what we can thank God for giving us as well. Turkey feathers, turkey handprints, and thankful books were all part of our Thanksgiving fun!
- When we return from Thanksgiving break, it will be time to dive right into all things winter and Christmas. It's hard to believe that will be soon approaching as well!
- Be on the lookout for an information sheet regarding inclement weather, and where to find information in case of school being closed. Also, please let me know of any upcoming holiday travel plans, so that I may plan for your child's absences accordingly. Thank you!

Upcoming Dates to Remember:

- November 27-29th: No School (Thanksgiving Break)
- December 7th: Sitter Service 9-11:30am
- December 14th: Christmas Program 10:30am with reception following
