

# Butterfly Room November Newsletter

Hello Parents!

We had a great month in the Butterfly Room! We learned the letters C, K and H and about stars, hearts and hexagons. We studied leaves and went on a leaf hunt to collect different types of leaves. We used these leaves for different art projects and to practice our sorting, graphing and description skills.

We talked all about thankfulness and gratitude and talked about all we have to be thankful for. This led us to draw and describe our families and see how each of our families is unique! We also talked about Thanksgiving and the traditions we have of coming together to prepare a meal to share with people you love and we came together as a class to make a friendship fruit salad.

In chapel this month we learned about Jesus healing the 10 men with leprosy which taught us the importance of saying "thank you" to Jesus for all that He provides us. Our offering this month was food for the HCS Family Services Food Pantry.

Thank you for an amazing month, I can't wait to begin celebrating the holiday season as a class!

Upcoming Dates:

11/22-11/24 No School

11/26 Church Christmas Decorating after 9:30 service

Miss Tech

Thanksgiving Turkey Flowers

Gratitude Trees

Celebrating Thanksgiving

Corn on the Cob

Hand Turkeys

Leaf Trees

Making Friendship Fruit Salad

Leaf Graphing

Celebrating Dia De Los Muertos
