

Look at What We are Learning!!!

The Fish Room October Newsletter Mrs. Kowalski & Ms. Vega

Firefighter Visit

Two firefighters from the Hinsdale Fire Department visited us and taught us about fire safety. They showed us what firefighters look like with their gear on and we even got to see their fire engine!!

Fire Engines

We used a box and recyclable materials that were transformed into a pretend fire truck and dressed up like real firefighters while driving it around the classroom!

Dalmatians

We followed a recipe to make Dalmatian pudding with vanilla pudding and chocolate chips and graphed "yes" or "no" if we liked eating it or not. We also "spotted" our own Dalmatian dogs with our fingerprints.

Jesus Time

This month we read the story *Noah and the Ark*. We read how Noah did what God told him to do and how God cared for Noah and the animals during the Flood. We learned that God takes care of us too!
(Genesis 6:11-8:22)

Story Time

Here are just a few things we are learning while reading books:

- develop an appreciation of good literature
- encourage an interest in & respect for books
- increase vocabulary & attention span
- develop reading readiness skills
- strengthen visual perception

Colors

We finished our learning of colors by sorting through our art center and making a green, orange and purple collages!

Zion Pumpkin Patch

Our class will be participating in Zion's pumpkin patch display. Be sure to check out our Minion pumpkin!

Pajama Day

Don't forget this **MONDAY October 31st** we are celebrating Halloween with Pajama Day!! (No costumes please!)
