

Look At What We are Learning!

The Ladybug Room October Newsletter

Mrs. Lithio and Mrs. Umbrasas

October brought fire engines and firefighters, leaves and trees, sunflower seedheads, pumpkins and gourds and lots of fun!

We painted leaves and made prints. Ask your child about the bumpy side of a leaf. What do the veins do? Our class also enjoyed making Rainbow Confetti, and got lots of practice with scissor skills.

Thank you to the Hinsdale Fire Department for visiting us! We got to see them put on their gear and see what they look like when they help people. We loved seeing the fire engine, the hoses, and the special camera that sees in the dark.

October is pumpkin time, and we had fun washing ours with sponges then painting it to be a ladybug. We also learned 5 Little Pumpkins and drew and painted a picture of them. A favorite story was The Little Old Lady Who Was Not Afraid of Anything. Ask your child what the pumpkin did in that story!

Pajama Day was exciting with special activities, singing, dancing and tents!

Our Bible words this month were "Do not be afraid, for I am with you." Ask your child to say them. Who is with us? God is! Just like he was with Noah, his family, and the

animals. When we see a rainbow, we remember that God always keeps his promises.
